ANDREJ VAJAGIĆ

UI/UX DESIGNER & FRONT-END DEVELOPER

ABOUT ME

I am Andrej Vajagić, **UI/UX designer** and **front-end developer**. I love good design. Also, I love to implement that design into great user experiences. Absolutely love what I do, and enjoy every moment of it. As smart people say "Choose a job you love, and you will never have to work a day in your life." I have that luck. I have few years of experience working in the field. I worked from small local project to the multi-million dollars enterprise level applications. I will be pleased if you let me to help you solve your problems and together we can create **AWESOMENESS**
